

## Trusted. Experienced. Passionate.

Angel Care Network is Maryland's premier provider of in-home care services for seniors and the disabled. We treat our clients like family and will help your loved one live at home in as much physical, mental, and emotional health as possible.

### Trusted

*"Angel Care Network has been helping my mom for more than 5 years. She has needs ranging from challenging health issues to daily routine assistance and day-to-day companionship. Mom trusts her angel companions. They take a big load off my shoulders. Now when I visit mom, we can have quality 'mother-daughter' time."*

## Experienced

Angel Care Network has 20 years in the home care industry.

- Very low turnover rate
- Care staff includes RNs, CNAs, GNAs, Med Techs, HHAs, and companion caregivers
- We will provide you the right caregiver for your personality and healthcare needs

## Passionate

Worry less knowing that your loved one will receive the highest standard of care with a personal touch that you won't find with the larger agencies. Services include:

- Companion Caregivers
- Personal Care
- Memory Care
- Respite Care
- Medication Administration
- Transportation to Appointments
